## **IMPORTANT INFORMATION**

1. Customers are advised to refrain from doing laundry from 7am – 4pm while flushing is being performed in your area.
2. After 4pm when your area is flushed, allow your water to run for several minutes to clean any sediment out of your water service.
3. If your water does not clear up in a reasonable time, contact the Lower Township MUA at (609) 886-7146, extension 3 for further instruction.

Your patience and cooperation while we are performing our fire hydrant flushing is greatly appreciated. If you have any questions, please call our office at (609) 886-7146, extension 3, or visit our website, [www.LTMUA.org](http://www.LTMUA.org).
